

Sir,

With due respect, I am Zidny Talukdar, a student of CSE department of 2-2 semester. My registration number is 202015. I do a part-time job from 10 pm to 3 am to bear my educational and other expenses. For this reason, sometimes it's very hard for me to attend all the classes especially because all the classes start at 8 am.

I therefore pray and earnestly request you to consider my attendance percentage and permit me to sit in the final exam.
